

June 2026

Dear parent/carer

### **Year 10 Pre-Public Exams (PPE) – Monday 15<sup>th</sup> June to Friday 3<sup>rd</sup> July 2026**

We hope you and your family have enjoyed the half-term break. We are writing to inform you of your child's Pre-Public Examinations (PPEs), starting on Monday, 15<sup>th</sup> June.

**School will continue to run as normal during the exam period, with full attendance required every day.** Students will attend lessons when they do not have an exam and if there are any days when students don't have an exam, they **must** attend lessons as normal. Afternoon exams will start at 1.40pm and the exam timetable shows how long the exams last for. Please note that on some days students will leave school after 3pm, depending on the length of their afternoon exam. Students who do not have an exam in the afternoon will attend lessons as normal and finish at the usual time.

These exams provide an opportunity to work on exam preparation and technique in preparation for external exams in Year 11. Students will have been set specific learning or practice questions in some subjects, and this should form part of their revision time.

You can support your child at home by ensuring that they have a quiet place to study and only have access to the device that they need for working. Students should also have access to index cards, flashcards or post-it notes, as summarising the most important information and terminology and referring to it regularly significantly aids retention and understanding. Some students like to place post-it notes on certain parts of the house (such as on the fridge, on their bedroom wall or on the back of the bathroom door). If this is the case in your home, we would definitely encourage it!

Please find the PPE timetable below, for your reference:

POSITIVE • RESPECTFUL • OPEN MINDED • UNIQUE • DETERMINED
