

May 2026

Dear parent/carer

We would like to take this opportunity to thank students for the commitment shown to their exam preparation timetable. We are also incredibly grateful to parents for their relentless support of the young people. I am sure you are as proud as we are of how they have approached everything asked of them.

We are writing to confirm the arrangements for Year 11 following the half-term break as students move into the final phase of their GCSE examinations.

After half-term, Year 11 students will only be required to attend school for their examinations and pre-examination briefings.

Where a student has a morning examination, they must arrive at school by 8.00am for their pre-exam briefing. If they do not have an examination in the afternoon, they will be dismissed following the morning exam to continue their revision at home.

Where a student has an afternoon examination, they must arrive at school by 11.00am for their period 3 pre-exam briefing. They will then be dismissed at the end of the examination.

In addition, we will continue to run after-school revision sessions from 3.15pm, in line with the student timetable already issued. These sessions are intended to support preparation for examinations taking place the following morning.

Please ensure that your child continues to check their examination timetable carefully and arrives promptly, fully equipped and ready for each paper.

Thank you for your continued support during this important period. By working together, we can ensure that all students are well prepared and able to perform at their very best. Please continue to encourage them to strive to be the best versions for themselves and continue to deliver the gold standard.

Yours sincerely

**A King
