Dear parent/carer

Visit to Apollo Victoria Theatre – Year 9, 10 & 11

I am writing to inform you about a school visit to Apollo Victoria Theatre on Wednesday, 10th December 2025. The aim of this visit is GCSE Edexcel Specification for Music. The theatre play "Wicked" includes the song "Defying Gravity", which is one of the set works studied at GCSE Music in the Edexcel specification.

Students will leave the school at 12.40pm on Wednesday, 10th December 2025 and travel by coach to and from the Apollo Theatre, returning to school at 6.00pm. Students will be required to wear school uniform. Students will require a packed lunch for this trip.

If your child suffers from asthma or requires an EpiPen, it is your responsibility to ensure that the appropriate medication is provided for this trip.

The cost of this trip is £42. If you would like your child to participate in this trip, please pay the non-refundable cost of £42, before 1st December 2025. Please note that by paying the non-refundable deposit, you are agreeing for your child to attend this trip.

We expect all students to attend this trip as it links to the broader curriculum. If payment presents a problem, please contact the finance team via email to finance@uhs.org.uk.

It is your responsibility as parent/guardian to ensure that your child has a valid passport, medical card (EHIC) and Visa (if your child is a non-EU citizen).

As the school no longer accepts cash or cheques, parents are asked to use your Arbor Parent Portal to pay for this trip. If your child receives free school meals and payment should present a problem, please contact the finance team via email to finance@uhs.org.uk.

By consenting to this trip on the Arbor Parent Portal, you agree to:

- Your child taking part in the visit as detailed above;
- A member of staff giving consent for your child to receive appropriate medical treatment in the event of an emergency.

If you have any further queries, please do not hesitate to contact me.

Yours sincerely

Mr L Malesci
Curriculum Leader for Music
